THE CROSSING EXPERIENCE

The most beautiful place
I've ever experienced in my life.

A fun filled journey
With a smile on everyone's face.
Banaras shown so beautifully
Was so really unbelievable.

How beautifully it was put up
to give an idea to the people.
That the world can work
without a keyboard or a mouse,
of a computer.

The significance of showing Banaras
was magnificent.

We felt we were in Banaras.
Three Cheers For The,

CROSSING PROJECT.

WELL DONE
